Spring Job Fair

This month the Chamber joined with the Connellsville Area Community Ministries and the Carnegie Free Library of Connellsville in hosting the first spring job fair in Connellsville. It was held April 29th at Murphy Hall and exceeded our expectations.

Twenty six employers took part in the event and some boasted it was one of the best job fairs they had attended. Over a hundred job seekers attended in hopes of finding employment.

Prior to the event, the library hosted a resume class and the ministries

offered certificates for professional clothing for job seekers. Due to the success of the event, we hope to hold a second job fair in the fall.

Thank you to all the employers and job seekers who came to the job fair and volunteers who helped to make it a success.
